Levy missing 100 days; Condit ponders statement

By Bill Bellamy | CNN Newsroom

Rep. Gary Condit

MODESTO, California — With former Washington intern Chandra Levy missing for 100 days, Rep. Gary Condit was pondering how to explain the matter to his constituents Wednesday. Levy was last seen April 30 when she canceled her membership at a Washington gym. Police are treating her disappearance as a missing persons case, but it has generated widespread publicity largely because of her connection to Condit.

Condit has remained out of sight since returning to his northern California district for the August congressional recess. His chief of staff, Mike Dayton, told CNN the seven-term
